

## Our Objectives in spending our Pupil Premium Grant 2020

- To ensure that the additional funding reaches the Pupil Premium children and that it makes a significant impact on their education outcomes.
- To ensure that the Pupil Premium will be used to provide additional educational support to improve progress and to raise the standard of attainment for these pupils.
- To ensure that the funding will be used to narrow and close the gap between the attainment of Pupil Premium children and their peers.
- To ensure that the Pupil Premium funding will be used to address any underlying inequalities between children eligible for Pupil Premium and others.
- To ensure that each individual Pupil Premium child is challenged and stimulated in their learning and is making at least nationally expected progress.

## Pupil Premium Grant Spending Focus 2020-2021

Our Pupil Premium Budget is: £48,301.44

This is made up of:

- 23 Pupil Premium Children who receive £1,345 each,
- 1 Pupil Premium Plus children who receive £2,345 each.
- We have carried forward £16,702.69 from 2019-2020.

We are planning to utilise this budget in order to:

- Continue to employ additional teaching staff to support children who are not on track to reach age related expectations
- Fund professional child counselling where needed
- Contribute towards staff development in order to ensure quality first teaching in the class, and full inclusion of all pupils across the school
- Provide additional teaching and learning opportunities through a SATs Breakfast Club
- Provide subsidies towards school educational visits and residential visits
- Targeted support for individuals and groups focussing on narrowing the gaps in learning, build resilience and understanding of how to approach assessments.
- Additional training for staff to focus on teaching and learning to further improve pupil outcomes and narrow the gap
- Purchase additional resources to be used to accelerate progress in Maths and English
- Additional Learning Support time to pre and post teach specific gaps in learning
- Fund subsidies towards extra curricular activities
