

How to make Iceberg Slush

Ingredients

- 1 cup of orange juice
- 1 cup of lemonade
- 1/4 lemon
- Water
- 3 strawberries
- 3 raspberries
- 2 teaspoons of sugar
- 2 empty ice cube trays

Equipment

- A freezer
- Ice cube trays
- Jug
- Cups
- Plate
- Rolling pin
- spoon

Instructions

1. Firstly, make a space in the freezer.
2. Secondly, carefully pour orange juice into 1 ice cube tray.
3. Thirdly, gently place the tray in the freezer.
4. After that sprinkle the raspberries into one half of the second ice cube tray.
5. Then scatter the red strawberries into the other half of the second ice cubetray.
6. Now fill up the tray with cold water.
7. Next carefully place the tray in the cold freezer.
8. Then wipe the yellow lemon around the rim of a plastic cup.
9. Next pour some soft white sugar onto a china plate.
10. Now turn the plastic cup upside down and dip the rim into the sugar.
11. Eventually, when frozen tip the orange cubes into a jug and mash them with a rolling pin.
12. Then ladle the mash into the cup with a spoon.
13. Next add into the cup 2 of the fruit ice cubes.
14. Finally top off by pouring in some fizzy lemonade.
